

## A FUN AND SAFE ENVIRONMENT

Supervised by a Dutch qualified trainer, Mr Has Kesra, the academy is focused at promoting athletics in a professional manner, creating the right bodily structure and mental attitude from a young age. This will offer young athletes the right ambience to reach their maximum potential.

Running is a great way for children to grow in a sporting environment! At the running academy we will help your child develop a positive attitude and valuable life learning skills.

## MALTA RUNNING ACADEMY

Founded in 1992, the Mellieha Athletic Club is today the fastest growing running group in Malta, winning all the major national and international road running events held in Malta.

Our next ambitious milestone is to develop the running academy!

We aim to share our expertise, success and experience with young athletes in a fun and safe environment.
